Order That Royal Tailored Overcoat or Suit Today

The difference between reality and artifice; between the hand-created and the machine-made; between the painted masterpiece and the printed chromo.

—That is the difference between a real Royal-Tailored-To-Order-Overcoat and a ready-made substitute.

There is no reason why you should not have your overcoat built to order. The cost is no greater—and the result is incomparably superior.

Buy a hand tailored uncalled for suit for Xmas at a saving of \$10 to \$15. I can fit you to perfection.
